

EXPANDING HORIZONS

School Bus Rules and Regulations

- There are normally ten trips a week.
- We strive to accommodate all requirements but, if necessary, priority will be given to regular users. This is because we have to pay for the coach not per seat used. Single journey users must check availability with the School Bus Organiser Mrs Julie Oldfield before travelling.
- Telephone numbers - please supply any daytime telephone numbers which are essential to assist the school in contacting you in the event of a delay.
- Please be aware that the times stated on the Bus Route Timetable are the times the bus is scheduled to leave the stop. It is the responsibility of the pupil to be at the designated stop five minutes before the time indicated to prevent delaying the bus and inconveniencing other pupils.
- Passengers are to remain seated and wear seatbelts at all times when the bus is in motion.
- Senior School and older pupils are reminded not to behave inappropriately, particularly with respect to language, on the bus due to the presence of younger pupils.
- No food or drink is to be consumed on the buses.
- Pupils are to be correctly dressed in their uniform or otherwise approved attire throughout the bus journey.
- School transport fees will be invoiced at the next School Bill.
- The privilege of travelling on the school bus will be withdrawn if any pupil fails to comply with these rules.
- One term's notice is required to vary or cancel school transport arrangements and the School reserves the right to charge a full term's school transport fee in the absence of such notice.

By making use of the Rossall school bus, you and your child/ren agree to the terms and conditions listed above.

For more information, please contact Mrs Julie Oldfield on 01253 774252 or email j.oldfield@rossall.org.uk or schoolbus@rossall.org.uk
