EDEXCEL IGCSE

Why study Business Studies?

The Edexcel International GCSE Business Studies syllabus develops learners' understanding of business activity in the public and private sectors, and the importance of innovation and change. Learners find out how the major types of business organisation are established, financed and run, and how their activities are regulated. Factors influencing business decision-making are also considered, as are the essential values of cooperation and interdependence.

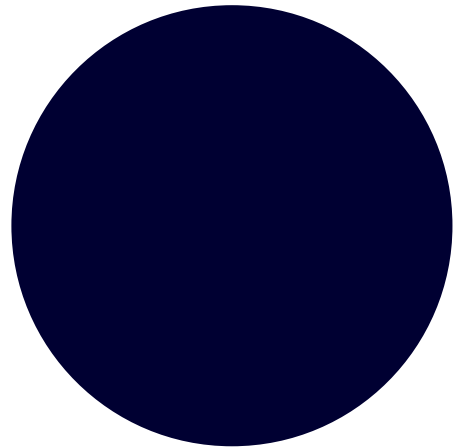

This subject is offered outside of the 9.05am to 4.25pm timetable

What will I learn?

Learners not only study business concepts and techniques but also enhance related skills such as numeracy and enquiry.

How will I be assessed?

The Edexcel International GCSE in Business Studies specification is assessed through a single examination. Covering business in the context of international markets and the United Kingdom, it is designed as a two-year course for teaching in international schools and colleges and UK independent schools.
