Activities:

The purpose of the activity programme is to provide a stimulating, enriching and challenging addition to the academic life of the school.

Are activities important?

Rossall

INSPIRING EXCELLENCE

They are if you look at the skills that employers are looking for; collaboration, creativity, communication and critical thinking. These are developed through a rich and varied co-curricular programme.

Cutting back on these opportunities would put our students at a disadvantage in the future as these skills are harder to acquire through other means.

Activities:

They are split into 5 broad areas:

- 1. Activities**
- 2. Sport**
- 3. Music**
- 4. Drama**
- 5. Service**

1. Activities

The list is not exhaustive, but it includes

Cookery
MEDSOC
Debating Society
Model United nations

Chess
Micro-Finance Group
Environment Group
Knitting and Crochet

2. Sport

Squad/Team players are expected to attend the squad training for that sport.

Rugby

Hockey

Golf

Football

Swimming

Netball

These will run throughout the week

3/4. Performing Arts

The programme has developed along with the opening of our new Performing Arts Centre, allowing range of opportunities across Performing Arts

**Drama Workshops
Technical Workshops
Scriptwriting**

**Chapel Choir
Jazz Band
Orchestra**

5. Service

This programme has been developed for our year 10-13 students. A time to give.....

**Charity
Environmental Group
Petting Zoo**

**Residential Homes
Beach Clean
Postcards of Kindness**

**There are many opportunities to try something new;
to push yourself out of your comfort zone.**

**Talk to your teachers, get help signing up and then....
Just go for it!**
