

**LETTER FOR PARENTS TO ACCOMPANY REMOTE LEARNING GUIDELINES**  
**Friday 20th March**

Thank you very much for your ongoing support over the last few weeks as we have worked to adjust to the new reality which will see the vast majority of our pupils learning remotely.

Staff at Rossall School have been working tirelessly to prepare for this transition and we have put in place a robust learning programme to ensure that teaching and learning continues uninterrupted as far as possible.

As well as this letter you will have received via email a copy of the **Rossall School Remote Learning Guide** for pupils and parents.

In this guide you will find details of how pupils will access their learning remotely and what the arrangements will be in terms of tutor time, homework, PSHE and assessment.

All pupils who are in school today will have also had an opportunity to listen to the guidelines and ask questions. They will have also logged into the pupil portal and set up the iSams pupil app on their devices which will provide details of their timetable each day. You can also find details of your child's timetable on the iSams parent portal.

As the new timings of the day and the new way of working bed in it is inevitable that you will have a number of questions. If so, please do not hesitate to get in contact with me. We will provide a regular update on remote learning and share responses to Frequently Asked Questions via email and on the school website.

Thank you very much for your support in ensuring that a suitable learning environment is put in place for your son / daughter to be able to make the best progress possible. We appreciate that this will not be an easy adjustment and we are mindful of family circumstances and routines impacting on pupils when they are learning from home. If you have any concerns about your child's progress please contact their Form Tutor and Head of Year.

Yours sincerely,

Dina Porovic  
Deputy Head (Teaching and Learning)
