

Rossall

PLAN OF MEASURES FOR
RETURNING STUDENTS
IN LIGHT OF THE
COVID-19 OUTBREAK

INSPIRING EXCELLENCE

We look forward to welcoming you back to Rossall School for the start of the forthcoming academic year. As you are aware, our reputation for the outstanding quality of pastoral care is centred upon the fact that the welfare of our children is our number one priority. Our response to these unprecedented circumstances has been both pragmatic and compassionate and it is for this reason that we have retained the full confidence of our parents, guardians and agents. We are proactive and committed to communicating with parents on a very regular basis. This culture of openness and collaboration with home is central to our ethos and values. Please do contact us directly if you would like to discuss the contents of this brochure.

MR JEREMY QUARTERMAIN
HEADMASTER

Plan of Measures

SEPTEMBER 2020

The following plan has been designed to help you understand the steps that Rossall is taking in order to minimise disruption for the arrival of new and returning students and to ensure that we can continue to provide the outstanding education which every child deserves. We will update our strategy in response to the latest developments both nationally and internationally.

BUSINESS AS USUAL

Assuming the school has reopened and is fully operational then the arrival of students will take place as normal:

- New boarders arrive on **1st September 2020**
- Returning boarders arrive on **2nd September 2020**
- Term will then start on **3rd September 2020**

CONTINGENCY – STAGE 1A

If there are no social distancing restrictions in the UK and the school reopens before September, but isolation restrictions are in place for certain international arrivals, then Rossall will provide a 2-week isolation programme for these students. This two week programme will provide opportunities for the development of soft skills such as leadership, creativity and teamwork. This programme will be delivered by Rossall teachers in a safe, secure and self-contained environment.

- This programme would commence on **15th August 2020**

CONTINGENCY – STAGE 1B

Should there still be a partial lockdown in the UK in mid-August, then the School will work with individual families to reschedule arrival days. This could mean that:

- New boarders arrive on **5th October 2020**
- Returning boarders arrive on **6th October 2020**
- Online lessons will take place for all students (new and returning) from **3rd September 2020**

CONTINGENCY – STAGE 2

In the very unlikely event that there is a more significant lockdown (than Stage 1) still in place in the UK during August 2020, then we would reschedule arrivals day to January. This will mean that:

- New boarders arrive on **6th January 2021**
- Returning boarders arrive on **7th January 2021**
- Online lessons will take place for all other students (new and returning) from **3rd September 2020**

NB: Any periods of online learning will be subject to a 25% reduction in fees

Important Dates

Due to the uncertainty at this moment in time, we aim to provide you with reassurance that we will be as flexible as possible with regards to making future decisions, please note the following dates:

18TH MAY 2020

Formal announcement on whether the school reopens before the summer holidays

30TH JUNE 2020

Formal announcement as to the school reopening on **1st September**

31ST JULY 2020

Formal announcement as to the school reopening on **5th October**

Emergency Response

TO COVID-19

Ensuring student welfare and community safety is our highest priority and we would like to reassure you that your child is in safe hands when returning for their studies in the UK. Due to the secluded nature of the Rossall campus the probability of infection remains relatively low. Should community transmission still be a risk in September 2020 and a situation arise where a child or staff member shows symptoms, then this is the process we will follow:

STUDENT

1

Isolation in medical centre and consultation with school doctor

2

If mild symptoms, 2-week isolation in summer school boarding houses if required with 24/7 care from a staff member

3

If serious symptoms, the student will be taken to the local hospital

STAFF

1

Staff will be asked not to report to work and self-isolate for a period of 14 days before returning

Rossall Response

TO COVID-19

Rossall has gained a well-deserved reputation as being one of the most proactive boarding schools in the UK in terms of its response to the threat of Covid-19 and our commitment to ensuring the safety of our community has been our priority from the outset. We have been ahead of the curve and exceeded UK government guidelines at each stage.

1

Increased hand sanitizer availability and stations around school

2

Students are permitted to wear masks

3

Increased the frequency of deep cleaning across school and ongoing hygiene training

4

Temperature checks and medical declaration for all non-resident staff, students and visitors

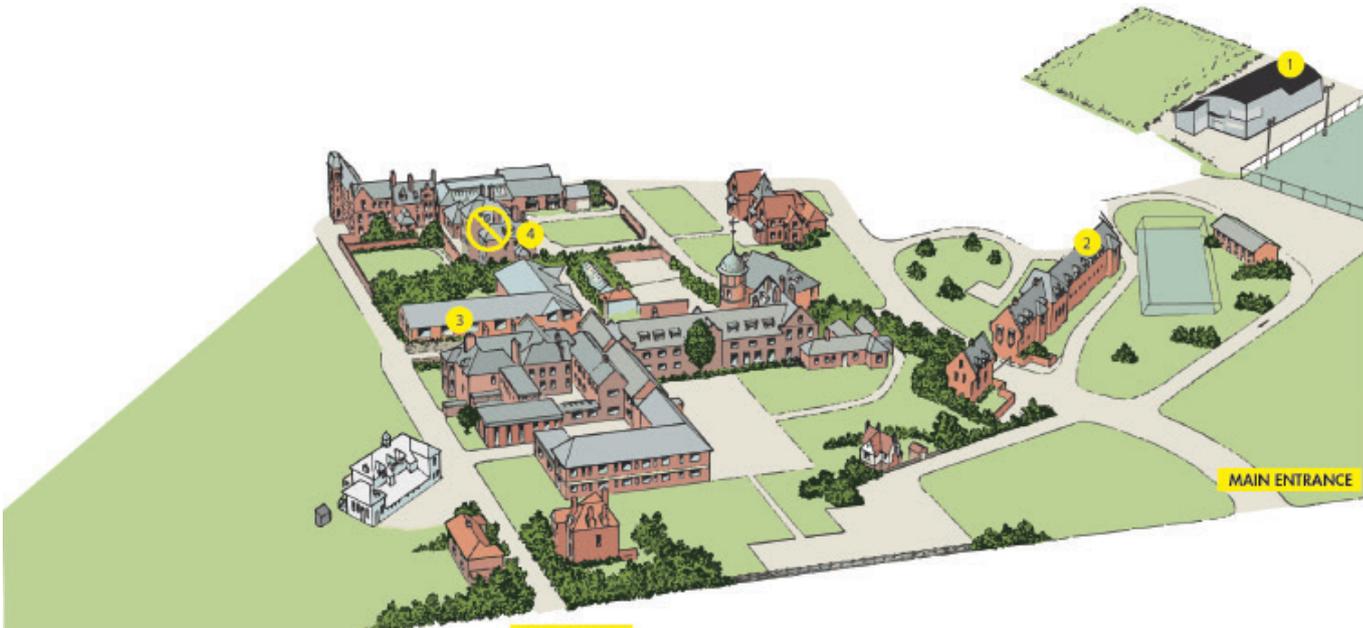

5

Created temporary separate day and boarding zones.
Please note when school returns we will not be operating a split site

THE BOARDING SCHOOL

- 1 Medical Centre
- 2 Sports Centre, accessible at weekends
Other gym facilities available during the week in the Boarding School

THE DAY SCHOOL

SOUTH DRIVE NURSERY ONLY

- 1 Sports Centre, Day School Reception. Report here before entering the Day School
- 2 Lugard Walkway
- 3 Nursery Entrance, accessible via South Drive only
- 4 The Hall Reception, no entry permitted

6

Regular and frequent communication with parents

Rossall Response

TO COVID-19

“When we read Rossall’s detailed and timely COVID-19 Bulletin that explains the epidemic situation and government policies and school arrangements to us, it confirmed to us Rossall’s unparalleled expertise in handling overseas students’ daily life in this unprecedented time. This school is a community full of responsibility, solidarity, friendship, and resilience. The actions live up to Rossall’s long history and tradition. We were also surprised by how calm and courageous our daughter was throughout the tough weeks, continuing to study and take part in various school activities as usual, we believe this is one of the most valuable qualities that Rossall taught her.”

“Thank you and your team to react correctly and immediately”

“I have been following your emails talking about the special measures Rossall School has undertaken to combat and sustain amidst this covid-19 outbreak and cannot help but bring myself to applaud your taking the time and effort to reassure us.”

“Truly grateful for all the arrangements the school have made. It is really helpful and thoughtful.”

“It is a very special moment on the Earth when all people from all countries are standing together against the Covid-19. We are so glad reading your Bulletin, knowing that our children are safe and happy. We fully trust in Rossall Boarding Care System, and we would like to express our gratefulness of all Rossall Management Board, Teachers and Service Staff.”

“We are very satisfied with your careful arrangement.”

“I am very grateful to Rossall School for everything you have done for the children. I believe that the children staying in school will survive the crisis safely under the careful protection of Rossall School”

“Rossall does a great job of protecting students. It makes parents feel safer.”

“Thank you very much for the update. I am impressed by the measures and the approach the school is taking. We are happy we have done our research diligently and chosen Rossall”

“I am glad Rossall has very good understanding of the issue and putting everything you can in place.”

Online Learning

AND ROSSALL DIPLOMA

ONLINE LEARNING

- Regular timetabled lessons with live teacher and pupil interactions through Zoom and Google Meet
- Access to a wealth of resources and personalised feedback through Google Classroom
- Regular one to one contact with tutors who support each pupil's learning experience across all of their subjects
- Online interactive enrichment clubs and university application support
- Opportunity to get involved in creative Rossall community projects

ROSSALL DIPLOMA

The Rossall Diploma, unique to Rossall School, recognises achievements of all Rossall students in examination year groups (Year 11 and Year 13). It provides a robust and rich reference of pupil achievements inside and outside the classroom in a formal document that comprises:

- Record of grades awarded by the exam boards
- Record of grades awarded as a result of internal assessments taken by pupils
- A personalised reference summarising each student's unique journey through Rossall highlighting
 - individual achievements
 - sporting or creative contributions
 - development of soft skills such as leadership and teamwork

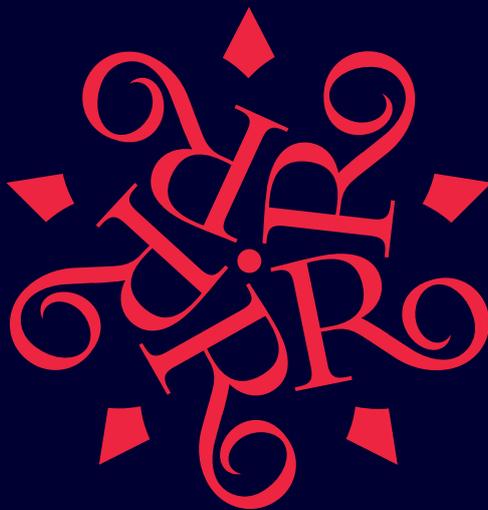

Additionally each student will receive one of the following grades:

- Pass
- Merit
- Distinction
- Starred Distinction

The grading will reflect the School's overall assessment of each pupil's academic performance and contributions inside and outside the classroom.

The diploma will come in a wallet that pupils can use for storage of all their academic certificates.
