

# Rossall

HALF TERM  
RESIDENTIAL  
PROGRAMME

Rossall School is now providing residential services and a fun-packed, as well as educational, programme for boarding pupils, from Year 9 upwards, during our half term holidays.

Pupils who are happy living in their Rossall home during term time do not have to move out during these half term holidays to a host family that they do not know; they can remain at Rossall. The weekly programme includes activities, local and regional trips, free time to enjoy the local area, as well as revision sessions for key year groups in February and May half terms. The programme will be staffed by Rossall staff that pupils know to continue the 'home-from-home' feel during half term.

The weekly cost (8/9 days) including all the activities, accommodation, food (three meals), entertainment and trips is £995.
