INSPIRING EXCELLENCE

COVID TESTING

Friday, 5th March, 2021

Dear All,

I am delighted to inform you that almost all day pupils in the Senior School have now taken their first lateral flow test. Hundreds of tests were conducted and, reassuringly, **there was not a single 'positive' result**. The day ran very smoothly and I would like to take this opportunity to thank our healthcare staff for ensuring that our children remained relaxed and cheerful throughout. There was a palpable sense of excitement amongst pupils and it was lovely to observe their delight at seeing one another again after so long. Rachel Magowan, Jonathan Cohen and Katie Lee have run our testing centre with superb efficiency and they have been ably assisted by our wonderful nurses Jenny Richardson and Michelle Birks. As usual, the children were absolutely brilliant and we now look forward to Monday morning with a sense of real confidence and gratitude. Finally, a huge thank you to parents for helping us to ensure that the day passed off so smoothly. Have a lovely weekend.

Kindest regards,

Jeremy Quartermain
